INTRODUCTION

The Village Grande at English Mill Homeowners Association Inc. has established the following rules and regulations to ensure the safety and enjoyment of all the residents and their guests.

These Rules are intended to supplement and clarify the Covenants and Restrictions and Bylaws. Where a conflict exists, the Covenants and Restrictions and Bylaws take precedence over these rules.

The obligation of enforcing these rules is placed primarily in the hands of the Management Company and the Pool Operator. However, it is the homeowners' responsibility to know the rules and to abide by them as well as cooperate in their enforcement. The Board of Trustees reserves the right to amend these rules without notice. Conduct at Recreation Facilities must be such to provide the greatest pleasure for the greatest number.
