Hello,

This is the Comcast Info:

www.business.comcast.com

1-800-391-3000

Account:

1 Village Grande Road

Village Grande At English Mill

609-788-8405

Roxane Mellow

Everything triggers off phone number. Need to talk to sales to get viewing rights info. Someplace there is a contract that should also state the rights. Can we as a group of 50 people watch TV, On demand, DVR content. We currently only pay for TV.

Is Roxane Mellow still a valid account contact? If so perhaps she has the contract? Does Cynthia have the contract?

This is the broader movie rights info:

The only way to get proper pricing information is to contact MPLC and SWANK. Each is a unique contact via their websites. The links are on the above webpage. The EHT library has a license from SWANK.

Cheers
